This image shows a grid-based handwriting practice sheet. The grid consists of 10 columns and 15 rows of squares. At the top of the grid, there is a row of Japanese characters: '立三氣力白空中青金山八' (Tachi San Ki Riki Shiro Asochi Aoi Kōsan Yamashita Hachifutsu). The character 'つ' is positioned in the first column, and '中' is positioned in the fifth column. The remaining characters are distributed across the other columns. The grid is designed to help with character placement and alignment in Japanese calligraphy or handwriting.
